Stream Classwork People Marks

Y5LJ

Class code e4gqv6p

Meet link <https://meet.google.com/lookup/fzwns7mna>

Select theme  
Upload photo

Click this link to access Google Meet with your teacher.

This link is always there, and always live.

You can click it any time but you will only be able to see your teacher if they have clicked the link at their end too.

It is useful if you can learn how to put yourself on mute and unmute.

It would be good if your camera is working so we will all be able to see each other.
