Y4 Cross-country girls winner: Georgie C

We are delighted with the efforts and commitment of everyone who represented the school when taking part in competitions and tournaments this year. The winning teams were invited to the annual presentation awards night at Maricourt this week. Melling Primary won five competitions outright, finished joint top of the netball league with 7 wins from 8 games, with teams controversially separated by points difference, and were close runners-up in several other competitions. The highlight was the winning of the cricket tournament by our brilliant Y6 girls, competing against and beating teams who had equal numbers of boys and girls. We try to enter every competition and tournament organised by the Maghull and District Cluster of Schools (MADCOS). We also had the opportunity to participate in an inclusion event for Y2s this year which was a fantastic event to be a part of.

Individual Y6 Sports Awards

Rowan Shields

Rowan has shone in all sports since joining the school. It was obvious from when he was in our reception class that he had a great deal of natural ability. As he has gone through the school he has added to that ability with his hard work and determination, representing the school in many sports. He has played in the school football team since Y4 and has been inspiring as both captain and leading goal scorer during the last 2 years. He was also a member of the athletics winning team this year.

Harriet Ritchie

Harriet has been a part of so many teams this year; netball, basketball, tag rugby and cricket to name a few. She has been a star in all of these sports with her determination to give of her best and her encouragement of team mates. She has also been a member of the girls football team since she was in Y4, playing as the goalkeeper. Probably the most important position on the pitch, she has played a huge part in the team's successes, this year, not only keeping many clean sheets, but also from her goalkeeper position, scoring 2 goals !

Congratulations to Rowan and Harriet
