

FOREST SNACKS AND CRAFTS

Children in YR will be attending Forest School sessions at least 1 afternoon per week from September. Some of the activities we do in the woods require special resources and these can be quite expensive. We need tools, kindling, logs and fire equipment, craft resources such as feathers, wood circles, lard and bird seed, snacks (often food that can be cooked on the fire eg smores, sausages, pizza wraps etc) and drinks (hot chocolate with cream and marshmallows or hot juice in Winter).

We are therefore asking for a £7 donation each half term to cover the cost of Forest School snacks and crafts. Please send this to school on the first day of each new term.

The children love Forest School sessions and get so much from attending. We want to be able to provide as many different opportunities for your children to enjoy as possible. Parents/ families will also get the opportunity to join a Forest School stay and Play session while their child is in YR.

Thank you so much for your support,
Mrs Hargreaves.
