CHILDCARE VOUCHER PAYMENTS FOR BREAKFAST CLUB AND DOLPHIN (AFTER SCHOOL) CLUB

Please use this form whenever you make a payment for Breakfast Club or Dolphin (After School) Club using childcare vouchers. This allows the office to allocate payments, made to the school's bank account by the childcare provider, to your ParentPay account manually. You will need to show a breakdown for each payment reference by club and by child.

Currently the school is set up to accept voucher payments from:

Edenred	Fideliti	Kiddivouchers
Computershare	Sodexo	HM Government Tax-free Childcare

If your employer uses a different scheme, please contact Mrs Hart in the school office so that the school can register with the scheme.

Please note: Your payments can only be allocated to your ParentPay account correctly upon completion of this form.
