READING EVERY DAY...

...**CREATES** lifelong readers.

...**TEACHES** children to find adventure, ideas, and answers through books.

...**STRENGTHENS** relationships and creates memories as a family activity.

...**OPENS DOORS** through which children can learn about themselves.

...**BUILDS** a diverse vocabulary and strengthens fluency in reading.

...**ALLOWS** a child's imagination and creativity to blossom.

...**GIVES** children the tools needed to become successful students.

...**TAKES** the "scary" out of reading in the classroom.

...**HELPS** children make connections to new places, people, and concepts.

...**AWAKENS** children to the world around them.

READ
Every Day
Lead a Better
LIFE

In Lower Key Stage 2, children are expected to read and understand texts at a much higher level than previously; the skill of comprehension is needed across the curriculum to be able to access a wide range of subjects.

All children will have the opportunity to read a variety of texts during lessons.

Individual readers will also be heard and children will have the opportunity to read books of their own choice in class.

If they wish to bring in a book from home to read in class, this is welcomed.

There is an expectation that your child should read **at least 3 times a week** at home - this will be monitored and rewarded (a prize for every 50 reads and a raffle ticket for a draw at the end of the year).

Please hear your child read, discussing the text and new vocabulary with them; fill in and sign the purple reading record to note their progress and any difficulties they may have.

We recommend a '3-read approach' – **1. decoding 2. fluency 3. understanding**

Please ensure reading records are sent into school daily to help us with monitoring.

Children are encouraged to return and change a book on any day.

If children fall behind with reading at home, there will be a discussion with parents/carers to help get them back on track.

'BE THE BEST YOU CAN BE... BE PROUD!'

Spelling

Spelling test day - Monday

Each week, children will be taught a spelling pattern and 2 of the Y3 statutory key words. For homework and in class, they will be given a sheet for written practice of 10 words containing the spelling pattern and 2 key words.

It would be useful if you could help your child with learning spellings at home using whichever method they find most helpful to learn. For example, the 'Look Say Cover Write Check' method is just one way to learn to spell.

- **New spellings will be given out on a Tuesday for a test on the following Monday.**
- **Please ensure your child is learning and practising their spellings regularly.**
- **Spelling homework sheets should be returned to school on a Monday.**
- **Spelling results will be sent home to keep you informed of your child's attainment the following day.**

'BE THE BEST YOU CAN BE... BE PROUD!'

Homework – MIRODO online

In addition to reading and spelling practice, children are expected to access online tasks to support learning.

Login details are stuck on the front of the reading records. If these are lost, please request new ones.

The following platforms can all be accessed **each week**:

- **Tuesday – Mirodo tasks will be set for the following week**
- **Times Tables Rock Stars**
- **Hit the Button**

If homework/home reading is not completed, parents will be notified. Children will be given an opportunity to complete it in school.

If a child does not have a device at home for online homework, they will be given an opportunity to complete it during school hours.

'BE THE BEST YOU CAN BE... BE PROUD.'

Arriving and leaving school

In Y3, children will enter the school via the Playgroup Gate at the side of the car park and through the door near to the Y6 classroom. Children must be accompanied by an adult at this gate until a staff member opens the door for them to enter the school building.

Children are not permitted to walk home from school and must be collected. They will leave school via the door from the hall onto the playground, and they will be handed over to an adult near or under the canopy.

'BE THE BEST YOU CAN BE... BE PROUD.'

Phones – Social Media – Internet

We ask parents/carers to think very carefully before allowing your child to have a mobile phone. Social media (eg WhatsApp; Snapchat; Instagram; TikTok) can cause numerous issues between children and can affect friendships in school. Platforms such as these can have unsuitable content on and can lead to children accessing inappropriate posts.

We would advise all parents/carers to familiarise themselves with the guidance on use of Parental Controls.
