

Verse 1

We're rocking and a-rolling round the Christmas tree

We're moving and a-grooving to the sound of the beat

The fairy lights are flashing and everybody's happy tonight.

We've got the boogie-woogie and the rock and roll

**Everybody's swaying to the sound of the soul
All the house is rocking cause we're gonna have a party tonight.**

Chorus

Yeah! tomorrow's Christmas and we're gonna have a party tonight. (x2) So come on.

Verse 2

**We're all celebrating at this time of year
By eating and a-drinking in the Christmas cheer
The crackers are a-cracking and the poppers are a-popping tonight.**

**Santa Claus is coming with his reindeers too
He's bringing lots of presents for me and for you
All the house is rocking cause we're gonna have a party tonight.**

Chorus...

Yeah, we're gonna have a party tonight. (x2)
