OPERATION ENCOMPASS SAY NO TO DOMESTIC ABUSE

I am proud to say that we are registered with a very important safeguarding project. Operation Encompass, is being run in partnership with Merseyside Police. The project aims to support children who are affected by domestic abuse. Following a domestic abuse incident attended by Merseyside Police, at which children from our school may have been present, Merseyside Police will notify us early the next morning and prior to the start of the school day. Each school has a member of staff (key adult) who is trained to liaise with the police, when required, whilst ensuring support is available to the child. We are committed to providing the best possible care and support for our pupils. In the meantime, if you would like to speak to someone further about the project or require further information, please do not hesitate to contact Mrs Ainsworth.
